

## Uncommon Good Whole Earth Building Tour Request

Uncommon Good's new headquarters, the Whole Earth Building, is globally the first of its kind; a revolution even among green buildings. Our unique building combines the best of ancient building techniques and the best of modern green building innovations. It is called the Whole Earth Building (WEB) because its construction and operation take into account its impact on the entire ecosystem or "web of life."

We invite you to enjoy the natural habitat we've created and take a tour through of the WEB building. Tours can be arranged by appointment only in return for a minimum tax deductible donation of \$10 per person.

Please complete this form to request your tour. We recommend that you contact us at least two weeks in advance of the tour dates you are requesting. Forms can be emailed to [stravis@uncommongood.org](mailto:stravis@uncommongood.org), or mailed to Uncommon Good, 211 W. Foothill Blvd., Claremont, CA 91711.

Your tour date request will be confirmed within 5 business days. At that time, please make your tax deductible donation to Uncommon Good at [http://uncommongood.org/?page\\_id=19](http://uncommongood.org/?page_id=19) or mail it to the address above. After receipt of your donation, your tour will be confirmed.
